## WEDDING PHOTOGRAPHY SERVICES

### THE CREATION FEE

#### CHARGES

For the photographer's time is \$250.00 for the first 3 hours of wedding portrait coverage. This time includes 2 photographers. As one photographer creates the formal portraits at the altar, the other is doing the journalistic photography to help tell the story of your special day. These photographs normally take you thru the end of the ceremony and receiving line. We charge \$200 for each hour after, usually with just one photographer. The Bride and Groom should pre-determine the amount of time our photographers would be needed. Our goal is to make every wedding unique and the many formal portraits and candid moments we capture will surely tell the story of your special day.

#### PHOTOGRAPHIC COVERAGE'S

THREE different types of coverage are available. The actual Photography and Creation Fee included with each coverage remains the same. The number of hours of photography will naturally determine the amount of photos taken at your wedding. The presentation of images to the Bride and Groom will differ with the Coverage selected.

**NONREFUNDABLE RETAINER FEE \$1250 TO RESERVE YOUR DATE, AND  
REMAINING BALANCE DUE 10 DAYS PRIOR TO WEDDING.**

#### THE MONTAGE ART BOOK

The Professional Wedding Photographers have recently introduced the NEW LOOK in Wedding Albums. Your album is now an art book with your portraits mounted and then sewn into a leather bound volume. The design for each page is unique to each client as it changes with the different portraits chosen for that page. There is no need for traditional sizes in this book as we have the freedom to create magazine style collages for you. Each page is designed by our artist to best show the wonderful images taken during your Special Day. The Bride and Groom view the hundreds of images from a CD and eliminate those images that are not going to be used in their album. We will then create composite pages with the remaining working photographs and place them artistically into your album. The Art Books can also be imprinted with your names and date of your wedding. This coverage is priced separately by:

- a. The number of hours needed.
- b. The Montage Book cover.
- c. The number of printed collage pages,
- d. Bride and Groom ability to add pages to their book for an additional charge.
